3. The name of the register

Visit Vaasa online
booking

4. Legal basis and the purpose of processing personal data

A customer register is built from the information that is collected at the time of making the booking. Without consent, the information will not be disclosed to a third party. The information is not used for automated decision making or profiling.

5. The information content of the register

The information we collect is the name, address, phone number, email address, company name, and ordered / purchased services or products.

6. Regular sources of information

Information is collected when a customer buys or purchases products from our online store.

7. Ordinary deliveries of data and transfer of data outside the EU or EEA

Information will not be released outside the EU or EEA and will not be published anywhere.

8. Principles of registry protection

The register is used only by the staff of Visit Vaasa and access to the register is protected by a password that is only in the person's own knowledge. (NOTE: Sportum Oy is responsible for ensuring that the personal data stored on the systems provided by Sportum Oy are handled carefully and that the information processed is properly protected.)

9. The right of inspection and the right to demand correction

If a person wishes to check the information stored about him or her or to request correction, the request should be sent in writing to the holder of the register. The holder of the register may request the applicant to prove his identity. The holder of the register is responsible to answer the customer within the time limit set in the EU Data Protection Regulation (usually within one month).

10. Other rights related to the processing of personal data

If a person wishes to remove their information from the register either wholly or in certain circumstances, the person in the register has the right, for example, to request the deletion of his or her personal data from the register ("the right to be forgotten"). Likewise, those who are registered have other rights in the EU's general data protection, such as restricting the processing of personal data in certain situations. Requests should be sent in writing to the holder of the register. The holder of the register may request the applicant to prove his identity. The holder of the register is responsible to answer the customer within the time limit set in the EU Data Protection Regulation (usually within one month).

Arrangements concerning points 9 and 10 should be sent in writing to:
